Ms Natalie 200C is a rare daughter of Brylor Talisker 202T who is at stud at Alta Genetics in Canada. Talisker is a Mulberry 26P son and the son of the Brylor Bonita 66K donor cow that has 37 progeny on record. And, Bonita 66K is a direct daughter of the Brylor Cherok 40X cow that has 61 progeny on record and was one of the foundation cows at Brylor Ranch. Both 40X and 66K were renowned as female makers. When you add in the genes of Mulberry 26P, Julian B571 and Major League A502M we believe it is the makings of a special female.
