Zsa Zsa is one of my top producing cows. She raised a heifer that was successfully shown by Audrey Wilson, raised my top bull that following year, and had a top heifer that was sold at the gathering at shoal creek last year. She has a good heifer calf by LLSF Reactor born on 9-27-2017.

Lot 70A: Heifer calf, born 9/27/2017 by LLSF Reactor.

7002 is out of an unregistered Angus cow owned by WW Cattle Company. She has been an extremely productive cow in our herd. She is only available because of the large heifer crop we have coming into production this year. Great eye appeal. Big ribbed with lots of top, and good uttered. She always raised a good, big calf. Her WWS THE LAST EMPEROR (barn named "Ruckus") at side is going to be a good one. Ruckus calves have come easy and grown well. This little guy has great top and bone. He could make a good herd sire for performance oriented breeders.

Lot 72A: Bull calf, born 10/28/2017 by WWS THE LAST EMPEROR.
